**TAB A**

## **Introduction**

The *Access to Information Act* (the “Act”) gives Canadian citizens, permanent residents or any person or corporation residing in Canada the right to access information contained within federal government records, subject to specific and limited exceptions.

Section 94 of the Act requires that the head of every federal institution write an annual report on the administration of the Act by the institution, which report must be submitted to Parliament in the first 15 sitting days of the parliamentary session after September 1.

This annual report, covering the fiscal year from April 1, 2023 to March 31, 2024, summarizes the administration of the Act by Canada Deposit Insurance Corporation (“CDIC”), as submitted and tabled in accordance with section 94 of the Act.

## **Mandate and Governance**

CDIC was established in 1967 by the *Canada Deposit Insurance Corporation Act*. The objects of the Corporation are:

- a) to provide insurance against the loss of part or all of deposits;
- b) to promote and otherwise contribute to the stability of the financial system in Canada;
- c) to pursue the objects set out in paragraphs (a) and (b) for the benefit of persons having deposits with member institutions and in such manner as will minimize the exposure of the Corporation to loss; and
- d) to act as the resolution authority for its members.

CDIC is administered by a Board of Directors headed by the Chairperson, who is appointed by the Governor in Council. There are six *ex officio* Directors (the President and Chief Executive Officer of CDIC, the Governor of the Bank of Canada, the Deputy Minister of Finance, the Superintendent of Financial Institutions, a Deputy Superintendent of Financial Institutions or an officer of the Office of the Superintendent of Financial Institutions appointed by the Minister, and the Commissioner of the Financial Consumer Agency of Canada), as well as up to six private sector Directors appointed by the Governor in Council. For more information about CDIC, please refer to [www.cdic.ca](http://www.cdic.ca).

CDIC does not have any non-operational subsidiaries during this reporting period.

## **Organizational Structure/Administration of the Act**

CDIC is a relatively small Crown corporation, which typically receives very few requests for access to information in any given year. As a result, CDIC does not have a formalized Access to Information and Privacy (“ATIP”) office with staff dedicated to ATIP matters on a full-time basis. Rather, the Chief Legal Officer, Corporate Secretary and Head, Policy Integration assumes the role of ATIP Coordinator and is supported in this capacity by the Director, Legal Services as primary contact. The Advisor, ATIP & Legal Services in conjunction with Senior Legal Counsel supports the Director, Legal Services in reviewing requests for access to information (collectively referred to as the “ATIP Office”). The Advisor, ATIP & Legal Services is responsible for processing requests and consultations under the Act and supporting all other ATIP responsibilities.

To ensure timely and accurate responses to ATIP requests, CDIC has one standby agreement with an external ATIP consultant who is available to assist as needed.

With respect to Part 2 of the Act dealing with Proactive Publication of Information (“Part 2 Proactive Publication”), CDIC’s ATIP Office is responsible for preparing its Annual ATIP Report, which is posted on CDIC’s website and the Open Government database. CDIC’s Business Integration group is responsible for preparing the monthly travel and hospitality expense reports which are posted on the Open Government database.

CDIC did not enter into any service agreements for ATIP services for or from other government institutions as described under section 96 of the Act during the reporting period.

### **Delegation by Head of Corporation**

The Delegation Order dated October 17, 2022 (the “2022 Delegation Order”) designates the President & CEO, Chief Legal Officer, Corporate Secretary and Head, Policy Integration/Access to Information and Privacy Coordinator and Director, Legal Services to exercise certain powers and perform certain duties and functions of the Chairperson under the Act and is attached hereto and forms part of this annual report (Tab B).

### ***Access to Information Act***

#### **Performance 2023-2024: Statistical Report and Interpretation**

CDIC's statistical report for 2023-2024 is attached to and forms part of this annual report (Tab C). During this reporting period, CDIC received two requests under the provisions of the Act (i.e. formal requests). This represents a 67% decrease when compared to the six requests received the previous year. Five formal requests remaining from fiscal year 2022-2023 were carried over and completed during fiscal year 2023-2024. While CDIC received less formal requests this reporting period as compared to the past three fiscal years, when combined with the five formal requests carried over to the 2023-2024 fiscal year, CDIC processed around the same number of requests as the previous three fiscal years (as depicted in the table below). Nonetheless, formal access to information requests have remained in the single digits for the past 5 years and the majority have been responded to within the legislated timeframes. CDIC had no active requests as of March 31, 2024.

#### **Five-Year Trend**

	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024
No. of Informal Requests Received	1	4	0	3	3
No. of Informal Requests Closed	1	4	0	3	3
No. of Formal Requests Received	2	2	8	6	2

No. of Formal Requests Closed	2	2	8	1	5
-------------------------------	---	---	---	---	---

One request received during this reporting period required an extension under section 9(1)(a) of the Act and CDIC's response was provided within the 121-180 day window. The delayed response was attributable to technical difficulties experienced with the email notification functionality of the ATIP Online Request Service ("AORS"), which serves to notify CDIC of new requests. Although this request was not completed within legislative timelines, once CDIC's ATIP office became aware of this request, it was processed in 37 days. To mitigate against the risk of recurrence, CDIC now checks AORS twice weekly. This request involved a partial release of the information requested.

The second request was completed without any extension and within legislative timelines (16-30 days). No records existed for this second request.

Four of the five requests carried over from fiscal year 2022-2023 were completed within legislative timelines and required one extension each under s. 9(1)(a) of the Act, except for one request which due to technical difficulties was responded to one day over the legislative timelines (at 8:30 AM the next morning). That one request required one extension with two justifications, under s. 9(1)(a) and s. 9(1)(c) of the Act.

Therefore, 71% of the formal requests were responded to within the legislative timeframes.

With respect to the percentage of the requests for which records were "all disclosed" or "disclosed in part", 14% were "no records exist", 43% were "disclosed in part" and 43% were "all disclosed".

With respect to the Fees section (Section 6) of the *Access to Information Act* Statistical Report (Tab C), the Treasury Board Secretariat advised CDIC not to include the fees collected/waived/refunded for the five requests carried over from the last reporting period, namely, 2022-2023. The five requests carried over from the last reporting period were all refunded in the reporting period, 2023-2024.

CDIC received one additional request that was not a formal request as it was missing sufficiently specific information on the location of the information. CDIC requested further information from the requester, but the requester did not respond.

During the reporting period, CDIC received five requests for consultations from other Government of Canada institutions which were responded to within the time limits specified by these institutions (between 1-15 days). CDIC carried over one request for consultation from the 2022-2023 reporting period, and this request was not responded to within the time limit originally specified by the institution. During this time, CDIC was in regular contact with the other government institution who was comfortable with further extensions for review required by CDIC. No requests for consultation had been carried over into the fiscal year 2024-2025.

As of March 31, 2024, no active complaints were received.

## Training and Awareness

In fiscal year 2023-2024, all 217 CDIC employees completed annual declarations of compliance with CDIC policies, including CDIC's Access to Information and Privacy Policy. During fiscal year 2023-2024, all current and new CDIC employees receive training regarding their responsibilities under the Act. This training is provided on an annual basis to all employees, and for new employees shortly after they join.

## New/revised Policies, Guidelines and Procedures

CDIC revised its access to information policy during this reporting period. The revised policy was presented to all CDIC employees during the reporting period.

CDIC is a Crown corporation listed in Schedule III of the *Financial Administration Act*. CDIC has published 68% of its proactive publications within the legislated timelines.

CDIC is required to post travel and hospitality expenses for CDIC's Chair, Private Sector Directors and Executives (links:

[https://open.canada.ca/en/search/hospitalityq?f%5B0%5D=hospitalityq\\_organization\\_en%3ACanada%20Deposit%20Insurance%20Corporation](https://open.canada.ca/en/search/hospitalityq?f%5B0%5D=hospitalityq_organization_en%3ACanada%20Deposit%20Insurance%20Corporation;);

[https://search.open.canada.ca/travel/?owner\\_org=cdic-sadc&sort=start\\_date+desc](https://search.open.canada.ca/travel/?owner_org=cdic-sadc&sort=start_date+desc)).

These expense claims are processed by CDIC's Finance team and recorded in monthly reports which are reviewed by both CDIC's Director, Finance and Chief Financial Officer ("CFO") before posting on the Open Government database. Some of these reports were not submitted for review in a timely fashion during the reporting period. To address this issue, the Finance team has rearranged their internal procedures so the reports are reviewed and approved by the CFO at least 10 days prior to the posting deadline. The Finance team will also be reporting to the CFO on a monthly basis on their compliance with the legislated deadlines.

Pursuant to s. 84 of the *Act*, CDIC is required to post its ATIP Annual Report within 30 days after being tabled in Parliament (link: <https://www.cdic.ca/about/disclosure/access-to-information-act-annual-report/>). The preparation of this report is completed by CDIC's ATIP Office. Procedures and systems are in place to meet the timelines for publishing the ATIP Annual Report.

## **Initiatives and Projects to Improve Access to Information**

- **Technology Improvements:** In this reporting period, CDIC updated its ATIP Online Request Service (“AORS”) with version 4.0 which allows for a secure two-way messaging channel between ATIP requesters and responding institutions.

**Complementary Procedures:** CDIC is a participant of the ATIP Online Request Service (“AORS”), which provides requesters with an easy platform to quickly and efficiently submit new ATI requests.

CDIC uses social media tools to provide Canadians with real-time updates and information on deposit insurance. Examples of social media used are Facebook, Twitter, Instagram, LinkedIn and Youtube.

CDIC also has a 1-800 number for general inquiries and a general email account.

## **Complaints, Investigations and Appeals**

As at March 31, 2024, no complaint, investigation, or appeal was brought to the attention of CDIC in relation to the processing and outcome of access to information requests.

## **Monitoring Compliance**

**Processing Time:** CDIC has established procedures to monitor the time to process access to information requests by completing an internal tracking log spreadsheet, which is updated monthly to reflect key dates and activities for all requests, including deadlines, and automated reminders are set. The ATIP Coordinator oversees the ATIP program at CDIC, and receives reports from the Director, Legal Services as the status of any requests change.

**Consultations:** As CDIC is a small Crown corporation and given the low volume of requests as described above, this inherently serves to limit the need for CDIC to contact other institutions for inter-institutional consultations of which there were none during the reporting period. Therefore, no monitoring was conducted during the reporting period.

**Frequently Requested Information:** CDIC receives a low volume of requests as described above, therefore, there are limited, if any, instances of frequently requested types of information. Nonetheless, upon receipt and review of each request, CDIC searches previous responses to ensure consistency in responding and to determine whether there have been prior requests for similar types of information. If CDIC determines that certain information is frequently requested, CDIC would make the information available on its website so that it is available by other means for future requesters of the same types of information.

**Measures Supporting Right of Public Access:** To further ensure the right of public access to information, the majority of CDIC’s contracts, agreements and arrangements contain standard language regarding the potential disclosure of information pursuant to access to information requests (subject to any applicable exemptions under the Act).

Accuracy and Completeness: CDIC conducts reviews at the Director, Head and VP equivalent levels to ensure the accuracy and completeness of our proactive publications under Part 2 of the Act. This is monitored monthly by the Director of Finance and the Chief Financial Officer with respect to expense claims and monitored yearly with respect to CDIC's Annual ATIA Report by the Director, Legal Services and the ATIP Coordinator.
